SHOW RULES AND REGULATIONS

The show is held under the Rules of the Governing Council of the Cat Fancy and is open to all. As a copy of the Rules is NOT included with this schedule, all exhibitors are reminded that they should read Section 4 of the Show Rules, as they will be strictly applied. Ignorance will not be accepted as an excuse for a breach of the Rules. (Copies of the Rules may be obtained from the GCCF Offices, 5 King's Castle Business Park, The Drove, Bridgwater, Somerset, TA6 4AG. Price £2.00.)

The show closes at 5.30 pm and there are no early passes.

REGISTRATION

No cat or kitten, entire or neutered, born after 19/10/71 with one or both parents, grand-parents or great grand parents unregistered shall be eligible for the Open Classes. All pedigree cats, kittens or neuters exhibited at a GCCF show must be registered. All registered exhibits which have changed hands, must have been transferred to their new owner at least 21 days before the show. All registrations and/or transfers must have reached GCCF office at least 21 days before the show.

GENERAL NOTES FOR THE ATTENTION OF ALL

The committee reserves the right to:

- a) Appoint other judges should those advertised be unable to fulfill their engagement, and to appoint further judges should they be required.
- b) Fix and limit the number of exhibits on show.
- c) To accept or refuse exhibit entry without giving reason,
- d) Refuse admission to the show without giving a reason.
- e) Cancel, amalgamate or divide classes.
- f) Publish a catalogue of the show containing information as to the exhibits and names and addresses of exhibitors.
- g) Retain a percentage of the entry fees to cover essential expenses in the event of the show being cancelled for any reason.
- h) Make an administration charge for any cheque returned unpaid by the bank. The exhibitors entry will be withdrawn from the show until such time as the entry fees, plus an additional £10.00 administration charge, are paid by that exhibitor.

GENERAL GUIDELINES ON ENTERING SHOWS

Where possible always complete your show entry form from your GCCF registration document (i.e. registration or transfer certificate) for the cat that is to be exhibited, **PRINTING** the details carefully to avoid any misinterpretation of your handwriting. If the document you have is headed 'APPLICATION FOR THE TRANSFER OF OWNERSHIP OF REGISTERED CATS' this means that the cat is not registered in your name and you must complete the form and send it back to the GCCF with the transfer fee as soon as possible. It must be received by GCCF no later than 21 days before the show.

If you have not received your registration document at the time of entry, complete the show entry form with the details from the pedigree, giving the first choice name if it is a non-prefix, and put RAF (Registration Applied For) or TAF (Transfer Applied For), or both in the Registration No. box. It is wise to enclose a stamped self-addressed postcard for acknowledgement with all registration and transfer application, particularly for cats entered for shows, so that you know that the application has been received by the GCCF.

Try to keep a copy of your entry form – then, when you receive registration details and number, check these against the entry form and notify the Show Manager in writing of any differences in the details as well as giving the registration number, if applicable. This may not be in time for the printing of the show catalogue, but the Show Manager should attach your letter to your entry form which will save unnecessary notification of discrepancies when that show is checked. All catalogue errors are checked against the original entry form and any exhibitors' letters are used for reference. Show managements are permitted to accept corrections, at their own discretion, up to the close of the show (on show day). Any such correction must not be an addition or subtraction of any exhibit for which proof on entry cannot be validated or a change of exhibitor/owner.

If you are entering several cats from your household and the registered owners (exhibitors) differ within that household/family, check with the Show Manager whether using one entry form is acceptable or not and, if it is, indicate **very clearly** which exhibitor owns which cat, ensuring all owners sign the entry form. It may be less confusing and more acceptable to the Show Manager for each owner to use separate entry forms, but joint owners of an exhibit(s) should always use the same form and **both must sign**.

GCCF Rules Section 4 Rule 26 – Exhibitors are reminded that the decisions of the judges are final. An attempt to influence such decisions or to identify a cat or ownership of a cat to a judge at a show before that judge’s engagement has been completed may render the offender liable to disciplinary action.

STATUS OF ERRORS – WHAT TO EXPECT

Minor Errors

These warrant a notification for your reference if the error occurs more than once and it is apparent that registration details were available at the time of entry or before the date of the show. Continuous repetition of the same error after notification will be referred to the executive Committee.

Examples of minor errors include:

- (a) Spelling errors
- (b) Separation of cat’s names that should be one word, and vice versa
- (c) Administrative/breeder’s prefix omitted from exhibit name or partially incorrect name given for exhibit
- (d) Overseas title preceding the name of an exhibit, sire or dam etc
- (e) Full breed number known but not given
- (f) Sire’s and dam’s transposed or incorrect
- (g) Breeder joint when should be single, and vice versa

Incorrect Date of Birth

This is usually classed as a minor error unless it affects an entry into classes based on age groups, when it could warrant disqualification of the exhibit from such classes; but if the incorrect date of birth affects the age suitability as a whole, then the exhibit will be disqualified from the show.

N.B. AGE LIMITS: **Kittens** – not less than 14 weeks and under 9 calendar months on date of show
Adults: not less than 9 calendar months on date of show

Incorrect Name of Exhibitor/Owner/Breeder

If registration/transfer details were obviously available at the time of entry or before the date of the show, disqualification is inevitable. The following discrepancies are those which usually arise:

EXHIBIT	•	Totally incorrect name
REGISTERED OWNER/EXHIBITOR	• •	Joint when they should be single and vice versa Declaration not signed by registered owner(s) N.B. The exhibitor(s) must be the registered owner(s) of the cat and not necessarily the person who actually takes the cat to the show.
BREEDER	•	Totally incorrect name or names N.B. The breeder of the cat is always the registered owner of the dam on the date of the cat’s birth.

Registration/Transfer Not Received By GCCF 21 Days Before The Date Of The Show

These entries will be disqualified. Remember, the effective date of all registrations and transfers is the **first date of valid receipt by the GCCF**, and if you enclose your own stamped addressed acknowledgement card with your application form this will be stamped with the GCCF Office date of receipt.

Transfer of Exhibit from Exhibitor to a New Owner Received By GCCF More Than 21 Days Before The Date Of The Show

Entries such as these will also be disqualified as the exhibitor’s entry form becomes invalid.

Incorrect or Ineligibility of Class Entry

These will be disqualified from the class concerned – so always check with the Show Manager if in doubt about which class to enter. If a breed number is changed officially, it is important that you notify the Show Manager immediately.

Cats Registered On The Reference Register

No cat registered on this Register is eligible to be shown and therefore these entries will be disqualified. The only exception to this is when a new breed becomes recognised; and then, cats of the breed may be shown, even if they are registered on the Reference Register as long as this was the only reason for the Reference registration.

Exhibitors may appeal against any disqualification resulting from show checking, giving their reasons. The appeal will be referred to the Executive Committee if considered valid and, if not, a letter of explanation will be sent to the exhibitor(s). The above advice, however, is aimed to keep your show entries trouble-free, not to mention the show checking.

VETTING IN

Vetting-in slips will be given out on the day of the show – there are no tallies. Exhibits will be received at the show from 7.45 am until 8.45 am. They will be examined by a veterinarian before being penned. All exhibits must be inoculated against FIE (Feline Infectious Enteritis), FVR and FCV (cat flu) and you will be asked to produce the certificate which must be dated not less than 7 days prior to the show. The certificate must clearly indicate the identity of the exhibit and the owner to avoid any confusion which may result in rejection from the show.

PENNING OF EXHIBITS

Every exhibit must be provided with a white sanitary tray, and clean plain white or near-white blanket or blankets without marking or edging, which may be arranged in such a manner as to assist the comfort of the cat. Cellular blankets are not allowed, but white Vet-bed or like material may be used if preferred. A cool pack may be used, provided they are covered by a blanket, in accordance with GCCF rules. All exhibits must have water, but food containers must be removed before judging commences at 10 am, and may not be returned until 12.30 pm. Judges are instructed to pass any pen that is distinguished in any way, other than official notices or award cards. Exhibition pens **only** may be decorated and may carry printed matter relating to the exhibit. Exhibits actually received into the show cannot be removed without the sanction of the Show Manager. They are only received on condition that the Agricultural Society shall not be held responsible for any loss or damage to exhibits, boxes or baskets or in any other way.

ADVICE TO EXHIBITORS – PLEASE DO TAKE NOTE!

- a) You are advised against purchasing any shampoo's that change a cat's coat colour or the use of stress remedies (including Skullcap or Valerian) which change a cat's normal appearance or physical reaction as this will lead to disqualification under Section 4, Rule 14.
- b) Any person whose cats have been rejected under sections C or D must not officiate as a judge or steward, or in any other capacity which requires the handling of cats at shows, until a clearance certificate as required by the GCCF has been obtained.
- c) The use of small battery driven fans in pens can be dangerous and could also be considered a distinguishing feature.
- d) The use of any kind of spray in the marquee is strictly forbidden.
- e) Please note that in addition to the classes you have entered, your cat may also be handled for the purpose of assessing candidates in the GCCF appointment scheme.
- f) Queens who have kitted within 12 weeks of the date of the show may not be shown.
- g) It is highly recommended that you clip the claws of your cat/kitten before the show.
- h) Advertisements: be aware that advertising the future attendance of your cat at a GCCF show could lead to disciplinary action.
- i) GCCF Veterinary Sub Committee wishes to remind exhibitors that cats should not be left in cars.

Sprays must not be used in the marquee as spray mist persists in the air and can irritate cats' mucous membranes. Therefore exhibitors are advised to use other means (eg wipes) to disinfect pens before penning cats. If owners wish to bring their own diluted disinfectant small squeeze bottles which produce no spray are permitted. All disinfectants must be approved for safety and efficacy in cats eg Trigen.

SHOW WITHDRAWALS AND ALTERATIONS

The last date for withdrawal of a cat from a show is the advertised closing date for entries at the show. After this date the cat/s concerned may not be withdrawn from the catalogue of the show and the 13 day Rule about entering 2 shows within 13 days will apply. There will be no refund of entry fees if the cat is not present at the show and the entry in the catalogue must not be withdrawn.

ALL ALTERATIONS AND/OR ADDITIONS TO ENTRY FORMS MUST BE MADE IN WRITING TO THE SHOW MANAGER

No telephone alterations and/or deletions will be accepted but corrections to your entry form can be made on show day.

CORRESPONDENCE

All correspondence must be accompanied by a sae if a reply is required. Any complaint related to the show must

be forwarded to the Show Manager within seven day of the show.

JUDGING AND JUDGES

Judging will commence at 9 am (or as soon as possible after this time) and exhibitors will be requested to leave the marquee until about 11.30 am, whilst the cats are being judged. Judges are empowered to withhold any prize or award, in any class, if the exhibits do not, in their opinion, possess sufficient merit. Prizes will be awarded from the judge's award slip and not from any catalogue or prize card. An exhibitor may not approach a judge, nor enter into conversation with a judge, until that judge's engagement is complete.

BY STARTING JUDGING AT 9 AM WE CAN OPEN THE TENT AS SOON AS POSSIBLE TO ALLOW THE PUBLIC ACCESS.

PLEASE INCLUDE A SAE WITH YOUR ENTRY SO THAT ENTRY TICKETS AND TRAVEL GUIDANCE CAN BE POSTED TO YOU SHORTLY BEFORE SHOW DATE.

Also please include an s.a.e./postcard if you wish to have an acknowledgement.

Check your entry form carefully, and telephone or email the show manager if you need any advice on classes etc.

**Make sure you have included the correct money. Cheques should be made payable to: -
