Guidelines for Exhibiting

Here are a few guidelines and points that might be of help when exhibiting. Always read the schedule carefully including page 2.

- **All exhibits to have been made / photographed by the Exhibitor**
- **Exhibits MUST NOT have been shown at Bingley Show previously**
- Exhibits must be staged by 8.45am and CANNOT be collected until 4.30pm
- Where a label is supplied it should be attached to the exhibit but it does not need to be on the front of the exhibit - it is for the steward's use only.
- Exhibits should only be marked with the label supplied (No Names, etc.)

HEMECRAFT

The judge will be looking at...

- External Appearance (colour, shape, uniformity, no cooling tray marks on top)
- Internal Condition (depth of crust, texture, distribution of ingredients)
- Flavour
- There are some recipes that should be presented in a particular way e.g. Victoria Sandwich Cake sandwiched together with raspberry jam only and sprinkled on top with caster sugar

PRESERVES

The judge will be looking for...

- Preserves with true flavour and correct consistency
- Jars made of clear glass with no visible commercial / trade marks
- Jars and cover should be suitable for the preservation of the contents
- Jars should be clean and unblemished
- Labels stating contents, day, month and year of making
- The seal is very important for preserves and can be achieved with a twist top only, or a wax disc covered with cellophane when cooled
- Lemon Curd should always be covered with a 'breathing top' a wax disc and a cellophane top

CRAFTS

- Items should be clean
- The design should be suitable for its intended purpose
- Stitch work should be even
- Consideration should be given to the presentation of your entry e.g. framed items may benefit by being displayed so they are not flat on the table i.e. with an empty margarine carton underneath

PHOTOGRAPHY

The judge will be looking for a photo with...

- Eye appeal
- Colour
- Perspective
- Balance and composition
- Photographs may be mounted if wished – maximum size including mount 8"x6"
